

You are an EU/EEA citizen and need to obtain certain public services in Croatia...?

Did you know you could access them **online** via **e-Citizen** platform?

Prepare your national credential (ID)

Go to <https://europe.gov.hr>

Select and log on to service of your interest

e-Citizens

Check if your country has notified cross-border authentication credential(s) and start using all the benefits that connected Croatia offers to EU/EEA citizens.
